Stellar is our most economical flooring solution, ideal for quick, low-traffic areas and cost-conscious projects. With a flexible 1mm profile and 9 contemporary designs, it's perfect for DIY roll-out flooring and budget-funded projects.

PRODUCT SPECIFICATIONS

Characteristics	Roll Length	Roll Width	Sqft. Per Roll
STELLAR	20 METERS	80 INCHES	431.20

Ensure a flawless flooring experience with Floorex India. Prioritize a 24-hour relaxation period for our PVC sheet in a room between 18°C and 27°C. Our vinyl rolls adapt to any surface, but ensure the sub-floor is even, hard, and dry. For installation, a clean, dry base is essential - use recommended adhesives like Fevicol SR 998 or SR 505.
